KARAIKUDI-630003

## NATIONAL LEVEL TECHNICAL SYMPOSIUM

**EVENT NAME: TECH PUZZLE** 

#### **EVENT DESCRIPTION:**

Tech puzzle events are competitions where individuals or teams solve a series of technology-related puzzles, such as code-breaking of mech field. They provide an opportunity to showcase skills, network, and solve fun and challenging puzzles.

### **RULES AND REGULATIONS:**

- 3 participants are only permitted to take part in the event.
- Puzzles were based on the parts and process of the core of the Mechanical field.
- Participants can discuss with their team members and answer the question.
- A member of the participants needs to arrange the puzzle by the instructions given by their other two team members.
- 45 seconds will be given to answer the questions.
- Participants were allowed to use their one lifeline for the hint.
- Hints are given only by the panel members.
- Negative points are included. (Not in the pass questions)
- The winners will be selected according to the score.
